

TO REGISTRANTS OF PESTICIDE PRODUCTS IN THE STATE OF UTAH

Applications for product registration should be on file before JULY 1, of each year, the following information is outlined.

1. What must be registered. All pesticide must be registered prior to distribution within the State.

A Pesticide means any: (a) substance or mixture of substances including a living organism which is intended to prevent, destroy, control, repel, attract, or mitigate any insect, rodent, nematode, snail, slug, fungus, weed, or other form of plant or animal life that is normally considered to be a pest or that the commissioner declares to be a pest; (b) any substance or mixture of substances intended to be used as a plant regulator, defoliant, or desiccant; (c) any spray adjuvant, such as a wetting agent, spreading agent; deposit builder, adhesive, or emulsifying agent with deflocculating properties of its own used with a pesticide to aid its application or effect; and (d) any other substance designed by the commissioner by rule. (Utah Code 4-14-2(21)).

II. How to apply for registration of Pesticide Products

1. The registration fee for each pesticide product is \$70.00.
2. The fee must accompany the enclosed application and be made payable to the Utah Department of Agriculture and Food.
3. All registrations expire June 30 each year, and renewals not paid by that date shall be subject to a penalty of \$25.00 per registered item.
4. A current label for each new product must be submitted with the application form(s). Also changes in labeling, for each product must be submitted.
5. **If your product is currently registered and the label has not changed from previous year label, please indicate NO LABEL CHANGES on your application.**

Your cooperation with the above items will expedite the registration of your product(s) and allow the Department to better serve you and the consumer of your products. Please feel free to contact me if I can be of further service.
